What do you get to do? Cub Scouts will have the opportunity to learn and do the activities to fulfill their requirements for their Geology Belt Loop and Cub Scout Academics Pin. Webelos Cub Scouts will have the opportunity to learn and do the activities to fulfill their requirements for their Geology Belt Loop and Geologist Activity Badge (Pin). It is also important that the Scouts have fun and enjoy the event.

Cost? No additional costs above admission. Free for Scouts in uniform.

Does your pack or den need to sign up? Yes, because we will base the supplies and scheduling according to the number of scouts that have registered. All scouts will have to be accompanied by appropriate adults.

Why are we doing this? We are a non-profit 501(c)(3) educational society. We offer 3 monthly meetings open to the public with informative topics. We have provided many educational scholarships over the years. We offer lapidary classes to the public in both Donelson and Tullahoma. We travel to schools and other youth events to share and educate. We have worked with the Scouts in other events through the years. We would like to reach more youth and offer them the opportunity to learn more about the wonders of the world around them.
