“PRIVATE COLLECTION” COURSE

This course covers all the basics of wire wrapping techniques and teaches you how to design and create unique high end artisan jewelry using only a few hand tools and jewelry wire.

CLASSIC WIRE WRAPPED BRACELETS

Combinations of copper, silver or brass are used to make dozens of variations of this classic wire wrapped bracelet. Twist some wire or leave it all smooth and sleek. Delicate and dainty, or bold and dramatic. Your choice, your design!

WIRE WRAPPED PENDANTS

Wire encases gems to create a beautiful artisan pendant. The pendants will slide onto the collar or chains.

WIRE WRAPPED COLLARS

Bold and original, wire wrapped collars will add drama and richness to your private collection. Slip on a wire wrapped pendant made from gemstones and you'll get everyone's attention!

NO EXPERIENCE NECESSARY – GREAT FOR BEGINNERS!
